SURVEY COIL 20-21:

Question 1: After finishing this COIL project, I feel that I am more able to:

- work in teams
- lead a team
- communicate efficiently
- manage with digital tools

- see the value of different cultures
- work with people from other backgrounds and cultures
- open my mind and be curious about new cultures
- be tolerant towards other peoples' values and behaviour

Question 2: Participating in this COIL has helped me:

- to develop skills which make me more employable
- to increase my interest in working abroad
- to increase my knowledge about the career opportunities of Pharmacy, Biotechnology or Nutrition
- to choose the professional sector I would like to work in the future
- to meet professionals that could help or inspire me in my future career

Question 3: How useful will you find the information and skills you have obtained in this COIL in your professional future?

- Extremely useful (55%)
- Somewhat useful (34%)
- Neutral (7%)
- Somewhat not useful (4%)
- Neutral not useful (4%)

It was useful for 90% of the students.
Question 4: On a scale of 1 to 5 (5 being the highest level of satisfaction and 1 being the lowest), indicate your LEVEL OF SATISFACTION with:

- The conferences by relevant professionals held before the Congress
- The interviews with professionals
- Your team supervisor/s
- Your team mates
- The organizers of the COIL

Question 5: Please, answer the following:

- Overall, I am satisfied with the COIL
- If I had the opportunity, I would like to take part to another COIL
- Would you recommend to other students to participate in future editions of this COIL?
Publication of the results of the COIL 20-21

• Journal/book
• Congress

ANY SUGGESTION???
COIL 21-22 TIMELINE (proposal)
